# Why more women in tech?

Embracing technology  
Embracing ambition

**.AGORIA**

# Reason #1: Tech is everywhere

## Reason #2: That's where it happens

CAC 40	1,69T
Dax	1,55T
UK	1,98T
Apple	3,02T

Source: ING presentation Feb 2024

# Reason #3: Moving to a 'low code-no code' data world

# Reason #4: Everyone of us is needed!

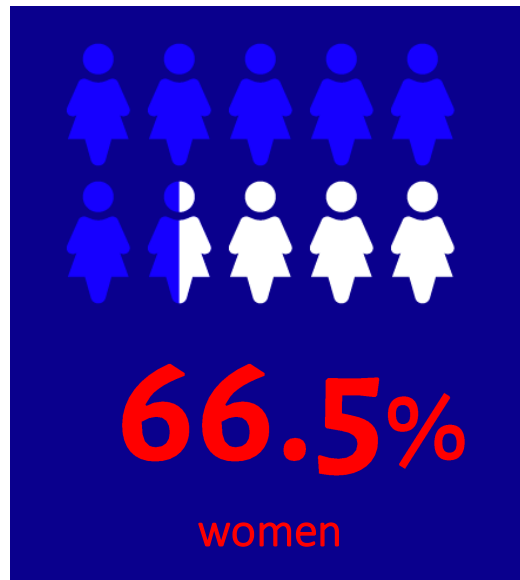

**In 2030**

541,000 open vacancies

= 80% of the Belgian workforce

**BE**  
**CHANGE**

An initiative of **.AGORIA**

## Reason #6: Brussels offers a great & diverse education

Universities & Hautes Ecoles
